

- What's on your bucket list for developing your skills?
- What kind of Health & Wellness workshops would you enjoy?

Is there a theme you would like to have? In the past we have focused on wellness initiatives.

Inform us and help us to understand what's important to help make you successful. What can we offer you?

### **We can offer you**

- Professional instruction in many areas of interest
- Skills training focused on your needs and interests
- Small classes with individual attention
- Learn a new skill and ability with your coworkers

**Email us your suggestions we want to hear from you.**
