

**HAVE YOU HAD YOUR SAY?**

**DON'T  
DELAY**

## **K-12 education support survey due April 16!**

We need to hear what your priorities are as we begin to prepare for bargaining our collective agreement. Survey questions are based on concerns and issues identified by K-12 locals along with research findings from previous surveys. All individual responses will be **kept confidential** and will not be shared with the employer or any union members.

*Please note that this survey must be filled out on your own time, not during work time.*

**If you need a copy or a link to the survey  
please contact your local.**
